WalzCraft[®] Introduces New Wood Specie Option - Australian Wormy Chestnut

WalzCraft Industries[®] proudly introduces Australian Wormy Chestnut to their extensive line of wood grades and species. Australian Wormy Chestnut is a sub-species of the Eucalyptus family. Common characteristics are mineral, pitch, pin-knots, and an abundance of insect holes. Another feature, unique to this specie, is a pronounced fire stripe in the growth ring, due to seasonal fires. Cabinet Doors, Drawer Fronts, Moldings & Wood Back Veneer are offered in numerous finish combinations; along with Rough Lumber for on site needs. For more information, specifications and pricing please contact our Customer Support Team at 1-800-237-1326 or CustomerSupport@WalzCraft.com and reference product number **NPR #25**. Information is also available using the What's New link at www.WalzCraft.com.

WalzCraft Industries manufactures custom cabinet doors, drawer fronts, dovetail drawer boxes, cabinet components and millwork for custom cabinetmakers and cabinet refacers throughout the United States and Canada. Founded in 1982, WalzCraft has built a reputation for producing a high-quality product, at a competitive price, with a short delivery cycle, while offering a vast array of options from its state-of-the-art manufacturing facility located at 2600 Hemstock Street in La Crosse, WI.
